

## Wolfspeed® Product/Process Change Notification

PCN Number: PCN-00132  
PCN Type: Informational

PCN Issue Date: July 29, 2024

### PCN Title

Update All Discrete Product Shipping and Packing List Labels

### Description of the Change

This informational notification is to inform Wolfspeed's customers of a product shipping label and packing list label change for discrete products. The change is to update Country of Origin (COO) to Country of Manufacture (COM) for customs purposes. No changes to product markings or processes will occur. Figures 1 and 2 are representative product shipping and packing list labels. Their content will be updated based on product shipment and location details.

## Label Details

Product and Carton Shipping Labels are encoded in the same way.

1D Codes – Code 128 Format

Label Sizes

Product Shipping Labels – 4 x 2

Packing List Labels – 4 x 6

## Benefit of the Change

With Wolfspeed’s commitment to continuous improvement, the affected product categories will be labelled with additional information to aid in the customer receipt process.

## Affected Products

All Wolfspeed discrete product labels are affected by this change.

## Anticipated Impact

No customer action is required. There is no change to product form, fit, function, or reliability.

## Implementation Date

Table 1 provides the estimated dates for key PCN milestones based on the information available on the date this PCN is issued. Any updates to these dates can be provided by your Wolfspeed contact.

**Table 1.** *Estimated Key PCN Dates.*

Task	Date
Projected First Ship Date for New Labels	July 30, 2024
