NI is discontinuing some FlexRIO & R Series products. You are receiving this letter because you have purchased one or more of these products in the past.

At NI, we are committed to our customers' success. **Therefore, we will continue to offer the affected FlexRIO & R Series products for sale until December 29, 2023** (for a complete list of affected part numbers (PNs) and their respective last-time-buy dates, please refer to the attached full PN list).

We will fill orders on a first-come, first-served basis until supplies are exhausted, based on delivery date. We cannot guarantee that all orders will be filled. If you do not plan to transition to a replacement offering, we recommend you purchase all future-required units in this timeframe. **Be advised that list prices for these products will increase 30% on October 1st, 2023.**

NI will continue to offer repair services for these products until December 31, 2024 or the expiration of your warranty, whichever is later. After that time, NI will no longer guarantee the availability of repair services.

Product Upgrade Details

NI offers a recommended replacement for new and existing applications for most of the affected products. You can find these recommendations in the attached PN list. **You can refer to NI Hardware and Software Operating System Compatibility - NI to check compatible driver versions for your replacement.** Migrating existing applications to the new hardware options should be straightforward, but if you have any questions on upgrading to the recommended replacements, please contact technical support at ni.com/support.

We apologize for any inconvenience this may cause you. If you have any questions or concerns, please contact the appropriate resource listed below.

Action/Question	Contact
Ask for consultation or, preparation, or for general questions regarding the existing system upgrade or migration.	Migration and upgrade-qualified NI Partners
Purchase the EOL product during its last-time-buy period or purchase the replacement product.	Your distributor, ni.com/shop, or call NI at the number listed at ni.com/contact-us
Discuss extended availability or support coverage for the EOL product.	Your NI account manager or call your local NI contact number listed at ni.com/contact-us
Troubleshoot or ask technical questions related to the EOL or product replacement(s). Note: This requires an active support contract (SSP).	Open a technical support request via ni.com/ask
Research previous purchase history information or check order status.	Order status
Discuss technical support or other services available for purchase, or any other issue not mentioned above.	Call your local NI contact at the number listed at ni.com/contact-us

Best regards,

Paul Cook
