Distribution:	Affected customers	
Type of Change:	Materials Change	
Change Description:	To reduce supply risk and enhance Airmax VS product delivery flexibility, ACS DongGuan factory has developed new copper suppliers for Airmax VS VR and RAH series. With better lead time and multiple sources, Airmax VS product line can be more flexible to support customers' demand fluctuation.	
Reason for Change:	Demand fluctuation beyond normal forecasted level becomes common in the market, while long lead time of raw material is hard to support such of delivery flexibility needs. Hence we developed additional copper vendors to ensure multiple sources supply and better raw material lead time so that our finished goods delivery can be more flexible when facing market demand fluctuation. Our products have no changes on form, fit or functions with copper from new vendors.
