Product Discontinuation Announcement – Passive Distribution Boxes of Lumberg Automation's I/O Systems Portfolio

Dear Valued Customer,

This letter serves as your formal notification that Belden will discontinue **selected Passive Distribution Boxes of Lumberg Automation's I/O Systems Portfolio**, effective January 1st, 2024.

In order to meet the latest market and technology trends, Belden is constantly developing innovative and high-quality products and variants that complement and optimize our existing portfolio. Every product has a defined life cycle and our products are typically characterized by a very long availability on the market. However, product discontinuation becomes inevitable over a period of time. For example, components in these products may be difficult to obtain or may no longer be available on the market.

You can find the affected products in the attached list.

The standard warranty terms apply to all products delivered up to the last delivery date. For more information on Belden's Long Term Product Support Policy for Industrial Connectivity products, please visit [Long Term Product Support \(LTPS\)](#). Active special contracts in place prior to the announcement date will be honored according to the terms of that contract, with regard to product availability, warranty, or support terms.
