Product Change Notification

1. ECR #: 231771
Notification #: 718

2. Date of Announcement: February 23, 2024

3. Series:

- LSS - .635mm TERMINAL/SOCKET COMBO

4. Part #'s Affected

- LSS-XXX-XX-X-XX-XX

5. Description of Change:

Switching from tubes to trays for standard packaging.

6. Method of Identifying Change

New product will be in black EIA-960 matrix trays instead of the transparent PVC tubes.

Figure 1 Old PVC tube packaging

Figure 2 New HIPS tray packaging

Picture showing old tube style and new tray style.

7. Reason for Change:

To allow for improved quality utilizing a matrix tray for vision systems.

8. Impact of Change on Form, Fit, or Function:

- Form - Size of package will change from a long 24" tube down to a rectangle tray 11.75" x 10"
- Function - Automation will no longer be possible utilizing a tube, but the new tray allows for automation for pick and place robots.

9. Projected Implementation Date: May 23, 2024

Disclaimer

Please review the change notification details listed above for specific information regarding the nature and timing of the change. While Samtec has taken precautions to ensure this change is not detrimental to your application, each application can be unique and therefore customers should consider the effect of the change on their specific application.

Samtec has taken efforts to ensure that all users of this product who have requested change notifications have been informed. However, you should assume that this is the only notification that will be sent and you, as the recipient, must determine how to communicate this information to your organization(s) and customer(s) as appropriate. If you wish to opt out of receiving Samtec Product Change Notification emails, please contact CustomerECN@samtec.com. Due to technical progress, specifications are subject to change without notification and it is recommended to provide an alternative contact when opting out.

Please contact Samtec at CustomerECN@samtec.com for any questions related to this change.
