Method for Identifying Changed Product

Full product change traceability is maintained by: lot code

Reason for Change

Supply flexibility

Anticipated Impact on Form, Fit Function, Reliability, Durability, Quality or Safety

No customer impact is anticipated with this change; there is no change to form, fit, function, reliability, durability, quality or safety with regards to parts impacted. Improved change to fit of parts within carrier tape.

Qualification Plan Summary

Qualification not required; no change made to part. Additional information available upon request.

Launch Plan

Upon completion of the notification period, change will be implemented.

Please contact your Skyworks customer service representative with any questions or comments regarding this change. If you are unsure whom to contact, please email Skyworks Change Management at Skyworks.CCB@Skyworksinc.com.
