

**DATE:** May 14, 2024

Dear Valued Customer,

NI is committed to serving you in academic and teaching endeavors. Due to impending component lifecycle issues, NI is discontinuing the myRIO (1900 & 1950), myDAQ, ELVIS III, roboRIO 1.0. You are receiving this letter because you have purchased one or more of these products in the past.

NI will continue to offer myRIO, myDAQ, ELVIS III, roboRIO 1.0 for sale until 30 April 2025. Orders will be filled on a first-come, first-served basis until supplies are exhausted. If you do not have a near-term plan to transition to a replacement product, we encourage you to make a last time purchase of the affected models as soon as possible. Due to a fixed supply, we cannot guarantee that all orders will be fulfilled.

Moving forward, Digilent will provide the main products for academic teaching. Any future new NI academic teaching products will be released through Digilent. Digilent is an NI brand with a strong focus and commitment to the academic community. Our aim is to provide educators and students with low-cost, fundamental tools that make engineering technologies understandable and accessible to all. To find out more about Digilent’s academic product lines, please visit <https://digilent.com/shop/academic/>

Replacements for the affected models are listed below from the Digilent product portfolio:

Replacement Model	
	ELVIS III
Digilent Analog Discovery Studio	
	myDAQ
Digilent Analog Discovery 3	
	roboRIO 1.0
NI roboRIO 2.0	
	myRIO-1900
