Description of Change: Vishay Diodes Division is introducing an additional in-house manufacturing location for SMF (Case Outline: DO-219AB) in Tianjin, China. Among the affected part numbers, SL02 & SL03-GS08 & GS18 will be converted to "solder clip" assembly technology and also added to SMF production in Kaohsiung, Taiwan as they were not mentioned in previously released PCN-DD-011-2023 & PCN-DD-012-2023. Furthermore, the label size, plastic reels and packing method will be consolidated to the existing norm and standard for surface mount packages at the new location. Please refer to the comparison table in annex for details. There is no change in form, fit, function and reliability performance of all involved part numbers.

Upon the approval of this PCN, all future and customized part numbers for related product in the same package will adopt the same change.
