PRODUCT CHANGE NOTICE

PCN521: Die Casting Supplier Transfer
Issue Date: October 7, 2024

Dear Valued Customer,

This notice is to inform you of a supply chain change affecting select Littelfuse items you have purchased.

Description of the Change:

We will transition two of our suppliers for die cast housings used in the attached finished goods from their current suppliers to a new supplier who currently supplies us with similar housings utilized in similar products.

Reason for The Change:

The first supplier we are exiting is as a result of recurring commercial issues such as timely communication, production standards, and continued commercial negotiations. The second supplier will no longer support sale to us as it is no longer supplying into our end markets.

Effective Date of the Change:

The transition will occur as a running change, effective in our shipments in Q4 of 2024.

What You Need to Do:

No action is required from you; there will be no change in fit, form, function or visual appearance of these parts.

If you have any questions, please contact your Customer Service or Inside Sales Representative. We appreciate your business and our continued partnership.

Sincerely,

A handwritten signature in cursive script that reads 'Luisa Cuevas'.
