

## 3M Hearing Protection Product Discontinuations

Dear Valued Customer,

Following the annual in-depth review of our hearing protection portfolio to help determine how to better service our customers, we are further streamlining the portfolio to simplify product selection and focus on the products that matter most to our customers—our Best Sellers.

Please refer to the table below for the list of earplug and earmuffs that will be discontinued. To assist with the transition, we have included suggested alternatives for your consideration for each item that will be discontinued. Should you have any questions, please contact your Regional Distribution Leader.

### Discontinuation Effective:

**October 2024, product available while supplies last. No orders will be accepted past December 31, 2024.**

Table 1: Product Discontinuation List

| Product Discontinuation |                                                                                 | Suggested Alternative |                                                                                    |
